

# Unlock the Future of Business Banking with Digital Account

## Seamlessly Manage Your Finances Anywhere, Anytime

Digital business accounts are designed for modern entrepreneurs and businesses seeking efficiency, flexibility, and global reach. Here's how the digital account helps you stay ahead in today's fast-paced world:

### Key Features:

#### Global Reach Without the Complexity

- Open and manage multiple currency accounts in minutes.
- Send to 120+ countries for free and accept currencies in over 60 countries with competitive exchange rates.
- Expand your business globally with ease by accessing local accounts in key markets.

#### Empower Your Payments

- Make fast, secure transfers domestically and internationally.
- Automate recurring payments to save time and reduce manual errors.
- Accept payments directly from customers worldwide, with minimal fees.

#### Borderless, Hassle-Free Transactions

- Say goodbye to high bank fees and complicated international banking processes.
- Benefit from real-time currency conversion with low rates, saving you money on every transaction.
- Streamline your cash flow and avoid unnecessary delays.

#### Smart Tools for Business Growth

- Gain complete control with intuitive dashboards for tracking income, expenses, and forecasts.
- Connect seamlessly to your accounting and payroll systems for smooth operations.
- Use virtual business debit cards to manage business expenses with full visibility.

#### Designed for Modern Teams

- Issue physical and virtual business debit cards for your team members.
- Set spending limits and track transactions in real-time to stay on budget.
- Empower employees with easy access to funds while maintaining total control.

## Why Choose a Digital Account Solution?

#### Fast Setup

Open an account within minutes-no paperwork or lengthy processes.

#### Secure and Reliable

Your funds and data are protected with industry-leading security measures.

#### Transparent Pricing

No hidden fees. Clear, fair pricing designed to support your business.

## Who Is This For?

The digital account is perfect for:

#### Traditional Businesses with overseas buyers and suppliers

Receive and make cross-border payments at lower costs and shorter processing times

#### E-commerce Businesses

Receive credit card payments and 160+ payment methods across the world to sell globally

#### Established Enterprises

Optimize workflows and reduce costs with smarter financial tools

#### Freelancers and Remote Workers

Simplify cross-border payments and manage finances effortlessly

#### Startups and Small Businesses

Easily set up a business account to get your business up and running
